

End 2007 Crisis Foresight is promulgated to all the top companies

IMMUNIZING YOUR BUSINESS

The crisis you have to have

The probable next crisis and the one after next.....?

Think of these.....

	TICK YOUR BOX
Management buyout turmoil	
The rise and rise of private companies	
Shareholder activism	
e-biz competitor Botnet attack	
Sexual misconduct	
Carbon trading scandals	
Climate change impact	
More white collar crime and fraudulent reporting	
Energy security breakdown	
Blogs and blast email information overload	
....and the others....	

Which amongst these should you practice first?

OR

Is there is a business case for doing nothing?

Bird Flu?
