Staying safe in PNG...

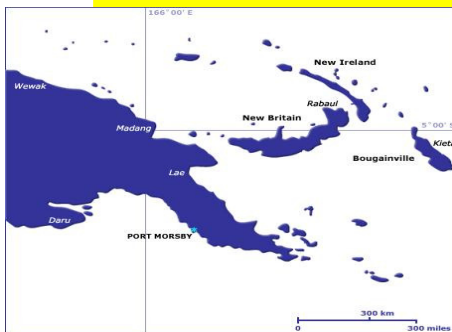

Topics Covered

- Historical Background
- Crime
- Natural Hazards
- Personal Safety
- Travel
- Culture

Reg Yates has been visiting PNG virtually every year since 1984 as a trek leader. There are not too many places that he has not been and as such he draws on his substantial experience to guide first timers through to frequent flyers. This course is aimed at those travellers in the resource, construction and allied sectors who are participating in a boom in projects in PNG.

Course Duration: One day

Courses can be held at any location in Australia or PNG
